RED CROSS IN 2-WEEK CAMPAIGN

On the eve of the drive Mrs. Edward L. Morrison, chairman of Berkeley Chapter's Residential Drive for members and funds, appealed to the families of Albany, Berkeley and Kensington to support the 1957 campaign. "We have planned a two week's drive" she said — "The time schedule provides for only two report meetings — March 8 and 19. In that space of time we expect to give every family in this area an opportunity to support their Red Cross Chapter. We need your co-operation to complete the drive in that time."

The women who will head the different areas of the community are: Mrs. Morrison, chairman; Mrs. George W. Wilson, vice-chairman; Mrs. Lawrence Hawkins, Mrs. Vivian O. Marsh, Mrs. Martha Hilliard, the Misses Edith and Marian Mel, Mrs. M. E. Gilchrist, Mrs. Roy E. Peterson, Mrs. John D. Hicks, Mrs. E. C. Reid, Mrs. B. V. Brewer, Mrs. Dwight Wood, Mrs. James Dorset, Mrs. Glynn Reineman, Mrs. H. R. Bolander, Jr., Mrs. Sydney J. Fass, Mrs. Eugene Blank, and Mrs. Leon Young.

"This year's slogan 'On the Job — When it Counts' pays tribute to the Red Cross volunteer" Mrs. Morrison said.

"We have just finished a successful year" Mrs. Morrison added. "We are embarked on another. With your support the vital activities of the Chapter in Braille may go on. We can continue to give health and safety programs in First Aid and Water Safety and Home Nursing. We can do our share in maintaining a high standard of morale among our Armed Forces by providing channels through which you may express your friendship and interest in the men who are doing active duty in the defense of the country, — for example, the Gray Lady, Motor, Canteen, Volunteer Nurse's Aide, Social Welfare Aide, Production, Staff Aides, Entertainment and Supply."

The highlight of the evening will be the proclaiming of Albany's citizen of the year. This person has been selected by the members of the Council, from the nominations of all the clubs and individual citizens of our community. This is the first time such an award has been part of the annual dinner and members hope to make it a continuing effort of honoring those citizens who have spent a lifetime in the betterment of their community.

Inter-Service Clubs to Honor Citizen of Year

President William Thomas of the Albany Inter-Service Club Council has announced the plans for this year's annual dinner. This year the dinner will be given by the Inter-Service Club Council as a joint venture of all the service organizations in our city, rather than the efforts of one lone group as in years past.

The highlight of the evening will be the proclaiming of Albany's citizen of the year. This person has been selected by the members of the Council, from the nominations of all the clubs and individual citizens of our community. This is the first time such an award has been part of the annual dinner and members hope to make it a continuing effort of honoring those citizens who have spent a lifetime in the betterment of their community.

Speaker of the evening will be Warden Harley O. Teets of San Quentin Prison. His topic should be timely in view of the world-wide interest in the changes concerning capital punishment.

President Thomas has declared a Social Hour from 6:30 to 7:30 p.m., with dinner promptly at 7:30.

The dinner will be held at Spengler's in Berkeley, Thursday, March 7. Tariff is \$3.50 per person and tickets are available from all organizational heads and members of the council.

Full information and application forms may be obtained from the Commission's office at 630 Sansome street, San Francisco, California or from Civil Service Representative, Room 110, Berkeley Post Office.

Community Church Will Celebrate Its 50th Anniversary

The weekend of March 8 to 10 has been set aside for the observance of the 50th Anniversary of the congregation of the Albany Community Methodist Church. The history of the church begins in the year 1907, when Albany was but a small village.

Three special events will mark this Anniversary. The celebration will open with a Golden Anniversary Banquet on Friday, March 8, at 6:30 p.m. with Bishop Donald H. Tippet, as speaker of the evening. Former pastors of the church will also be on hand to recount their experiences.

The Women's Society will hold a special Anniversary Tea on Saturday afternoon March 9 from 2 to 4 p.m. in the social hall of the church. At this time many antiques and mementoes of past years will be displayed.

The Homecoming Church Service will be held on Sunday March 10 at 11 a.m. Guest preacher will be Rev. Dau Stevens, pastor from 1925 to 1928, during which time the church was constructed at the present site. John Winkley, another former pastor will also take part in the services.

Elm Branch Plans Luncheon March 5

Elm Branch Children's Hospital of the East Bay will hold a luncheon at the home of Mrs. Byron Pozzoni in El Cerrito on next Tuesday, March 5, according to Mrs. Alex Hackin, publicity chairman. In addition to the branch booth, Mrs. Bert Kruger of Albany will display a table setting. Mrs. Kruger has been a blue ribbon winner for the past four years.

A wonderful collection of fashions created especially for the high school girl will be shown on Saturday, March 9, in the Salem Room of the Hotel Claremont as a feature of the 19th annual Easter Fair sponsored by the Branches of Children's Hospital of the East Bay.

Admission is \$1.25 and tickets may be purchased from any Branch member or at the door the day of the show.

Pleich to Speak At Democratic Meeting Mar. 12

John Pleich will speak on the "Future of Albany" at the dinner to be held Tuesday, March 12 at Cornell School sponsored by the Albany Democratic Club and the Albany Democratic Women's Forum.

Pleich will discuss the need for retaining the retail business now existing in the city and the need for attracting new business if the people of Albany wish their city to remain an integrated unit. His theory is that if this is not done the city will become merely a residential annex to the neighboring cities.

The dinner, which will start at 6:30 p.m., will cost \$1.25 for adults and 75 cents for children and is being held to raise money to pay the expenses of Albany delegates to the California Democratic Clubs Convention to be held at Long Beach, March 15, 16, and 17. Everyone interested in Albany, North Berkeley and Kensington is urged to attend. Tickets are available from members or may be obtained at the door.

Mrs. Phyllis Jamieson is the chairman of the committee on arrangements for the dinner. Members of the committee include: Mrs. Agnes Devine, Mrs. Freida Cripps, Mrs. Sylvia Sorensen, Mrs. Elizabeth Hyams, Mrs. Eva Lane, Mrs. Anne Murphy, Mrs. Josephine King, Mrs. Rhoda Warner and Mrs. Shelby Smith.

Proceeds from the sale will go toward the Presentation Bursary. The purpose of the Bursary is to give financial assistance to those young women entering the Order who need aid.

Mrs. J. D. O'Connor is chairman and will be assisted by Mesdames Dave Jacobs, Charles Porter, James Kane and Miss Irene Biebel.

COUNCIL ORDERS CITY HALL REPAIRS

The Albany City Council, after considerable discussion, approved a portion of a report by City Engineer Wayne McAuley in which he detailed improvements and repairs needed at the Albany City Hall. The estimated cost will be \$200.

The items approved included replacement of the main switch, which had burned out and nearly set fire to the building; installation of new heat registers in the City Clerk's office, which can be easily opened or closed; extension of the customer's counter in the city engineer's office to provide extra room for spreading out plans and drawings brought in by residents, and to clean and repair the Venetian blinds at the city hall.

The discussion centered over additional items contained in the report, such as new linoleum flooring, some painting and other work which was estimated to cost \$900, including the items approved. Mrs. Zahn argued that if the city engineer thought the items important enough to be included in his recommendation, they should not be split up, and the approval should be for all or none.

Councilman Blank, chairman of the Finance Committee, said he thought the work they eliminated should not be done until they find out what if anything is going to be done about getting a new city hall. "If we are going to move in the next year or two, or three, the conditions are not so bad but what we can stand it for that long," he said. "I don't like to see us spending the city's money on any but really necessary repairs if we are going to move."

Approval of the \$200 outlay was passed unanimously.

Recent accidents on the Albany overpass brought up the question as to when Albany could expect to have that portion of the freeway improved by a second, parallel overpass. A motion was passed to have the city engineer write the Department of Highways for information.

An emergency ordinance was also passed providing for parking on both sides of Kains, from Marin to Brighton, and on Adams, from Buchanan to Clay. Both Adams and Kains already have been designated as one-way streets for traffic in a northerly direction. Cars will have to be parked facing north on both sides of these streets.

U.S. Air Force To Celebrate Its 50th Anniversary

Today as the Air Force's Jet bombers streak across the world's skies and its Jet fighters leave white plumes across the heavens, few realize that it was only fifty years ago that the history of the Air Force began. On August 1, 1907 an Aeronautical Division was formed by the United States "to study the flying machine and the possibility of adapting it for military purposes." It consisted of one officer, Capt. Charles Chandler, and two enlisted men. From these three men has now grown the United States Air Force, most powerful in the world.

According to TSGT. Carl F. Miller, this year will be celebrated as the Golden Anniversary of the United States Air Force. Throughout the year activities will take place paying tribute to the men who helped build it — the men of yesterday and the U. S. Air Force men of today who form the backbone of our nation's security.

Schools and youth groups are invited to contact TSGT. Carl F. Miller at Room 201 Post Office Building, Berkeley, phone TH 5-3105 to arrange for film showings and speakers as part of the Golden Anniversary activities.

Scriptural passages in the Lesson-Sermon entitled "Christ Jesus" will include the Master's reply to the disciples of John Baptist who questioned his mission (Luke 7:22): "Then Jesus answering said unto them, Go your way, and tell John what things ye have seen and heard; how that the blind see, the lame walk, the lepers are cleansed, the deaf hear, the dead are raised, to the poor the gospel is preached."

BLOWOUT TROUBLE

What do you do when your car has a blowout at highway speeds? One thing you should NOT do, says the California State Automobile Association, is jam on the brakes. The correct technique is to concentrate on holding the car steady, using the brakes lightly with a pumping action, until you slow down to a moderate speed. Slamming on the brakes locks the wheels on which the blowout occurs, therefore creating greater possibility of a dangerous skid with resultant lack of control.

LIGHT CHECK

The next time you stop at your service station for gasoline, have the attendant check to see that all your lights are working properly. This includes turning signal, tail light and stop lights as well as head lights. The California State Automobile Association suggests you do this often. A stop light or turning signal light that fails to operate can lead to serious trouble.

SPEAKING & CARDS

FOR OLD CARDS

To many of us, an old deck of cards presents a minor problem. We hate to throw it out after the hours of pleasure it has provided and at the same time we don't want it cluttering up the desk drawer.

You might like to know of the ingenious uses some people have found for these venerable packs.

For one thing, old cards can be made into attractive, useful and unusual presents. All you need, in addition to the old decks, are a pot of glue, some clear shellac and a pair of scissors. Just add a bit of your own ingenuity and you have the right formula. What's more, you can let the whole family in on the fun by gathering the children around the table to help you.

For example, colorful paper matchbooks, for use at your next Bridge or Canasta party, are among the easiest to make. Buy plain matchbooks at a stationery store and paste half of a face card on the front of each. If you cut just inside the black line around the court card and then

across the middle, you'll find that the trimmed half-card will just fit the standard matchbook cover.

A handsome serving tray is another useful gift that can be made from an old deck of cards. You can purchase an inexpensive, standard-size tin or composition tray at your local ten cent or variety store. For decorating the surface of the tray, it is best to use a deck with plain backs, alternating the face cards and backs in a sort of checkerboard pattern. As a finishing touch, give the whole tray two coats of clear shellac to protect the surface from damage by cold drinks or spilled food.

The ordinary spiral pocketbook notebook may be dressed up for desk use by pasting a card with a monogrammed or decorative back neatly on the cover. This makes an attractive addition to a desk or telephone stand for quick notes and phone numbers. A blotter trimmed to the size of a standard playing card and pasted to the card makes a useful addition for your checkbook or purse. And you can complete a matching desk set by cutting the cards to fit the sides of a square ink bottle and gluing them on all four sides.

If you just don't feel like cutting up the deck, there's still a good use for your old pack of cards. Your local hospital, orphanage, boy's club or vet-eran's home might welcome just this contribution.

Obituary

Philip S. Radanovich

Five brothers, two sons and two sisters journeyed to Albany on Tuesday of last week to pay their respects and bear Philip S. Radanovich to his last resting place at Sunset in the Albany hills which he knew and loved, in the two years since going into business on Solano avenue. He operated Phil's Shoe Shop and had learned to know happiness in his business and the community where he planned to be a permanent part.

He was interested in all civic activities and he and Mrs. Radanovich paid some special attention to the Senior Citizens of Albany. The school children were specially interesting to him and he tried to be-

come acquainted with all who passed or came into his shop, and often spoke of enjoying his association with them and that the little things in life were the worth while things. This is perhaps expressed in a little verse by P. Bracken, which he indited to Mrs. Radanovich —
The things I love are little things—
Tiny things, and gay.
Small bright buttercups that gild
A drowsing summer's day.

Little blue-edged cups and plates.
A little April rain.
The tinsel tracery of frost
Upon a windowpane.

And, oh, I love a little house
No bigger than a minute.
(I make one reservation though—
That you, my dear, are in it)

Mrs. Radanovich will continue to carry on the business as Phil's Shoe Shop, and wishes to take this occasion to express her appreciation

Inseparable companions, Michel Ray and his pet bull calf, "Gitano", grow together and enact heart-stopping dramatic scenes in "The Brave One". RKO Cinemascope Technicolor screen classic produced in picturesque Mexico; the film is now playing through March 5 at the Albany Theatre.

WINNER 12TH NATIONAL TRAFFIC SAFETY POSTER CONTEST

The importance of dressing so you can be seen by motorists in the dark may save your life, says the California State Automobile Association. More than half of all pedestrians killed in traffic are struck at night. Many people do not realize how difficult it is for drivers to see pedestrians in dark clothing. If everyone who has to walk along highways and cross poorly lighted streets at night would wear something white or light-colored, the hazards of darkness would be greatly reduced. If you don't happen to be wearing something white, then carry a newspaper or other white or shiny object. Your life as a pedestrian will be safer.

James V. P. Conway of 1427 Portland avenue left via TWA on Wednesday for Chicago where he will attend the Annual Meeting of the American Academy of Forensic Sciences at the Drake Hotel. Mr. Conway is the Postal Inspector in charge of the Scientific Crime Detection Laboratory of the Postal Inspection Service in San Francisco and a nationally recognized authority on questioned and disputed documents. He will address the meeting on March 2 on "Studies of the Poison Pen".

The Sewing Club of Albany Unit No. 292 of the American Legion Auxiliary will meet at the home of Mrs. Edna Johnson, Jr., past president of the Albany Unit, at 1025 Peralta avenue on March 1, today, starting at 12:30 p.m. Dessert and coffee will be served.

Members of the Albany Legion Post No. 292 will join with other Legionnaires of the Second Legion area in accepting an invitation from Cmdr. E. D. Howard of the U. S. Naval Reserve to visit the Reserve Training Center on Treasure Island this coming Monday night, starting at 7:30 p.m. A feature will be a conducted tour by officers and personnel of the Center.

Albany Chapter No. 550 Order of the Eastern Star will honor Past Matrons and Patrons at 8 p.m., March 1, at Albany Masonic Temple. Esther Wood, P.M., and Cecil Boekennoogen, PP., will be the acting officers of the evening.

Eight Junior Hi-Y Clubs at Albany YMCA Now Ready for Active Spring Program

Just a quarter century after the organization of the Albany YMCA, eight Junior Hi-Y clubs installed new officers recently preparing for the school spring term with its changes, which started on Feb. 4.

Four of these are girls' clubs and four are boys'. Each club had its scheduled time for the installation ritual which is a broad religious one including all faiths. The upper room of the "Y" building on Kains Avenue is bright and cheerful, with several candles and a gold cross arranged on white covered tables for each ceremony.

Elmer F. Coble, executive secretary of the Albany "Y" says, "Children have a responsible attitude toward their memberships in the Hi-Y clubs. Each boy or girl must attend a club meeting at least twice before being given a requirement sheet to study and an application blank.

The induction and installation ceremonies are partly planned by individual groups and partly taken from the accepted rituals of Hi-Y clubs in 27,000 different high schools. Our clubs in this branch vary from 30 to 60 in membership, involving about 300 children."

The Albany "Y" as a branch of the Berkeley YMCA, was organized in 1921 with Hollis R. Thompson, later city manager of Berkeley, as its first secretary. In 1931 a committee of business men, headed by L. F. MacDonald and F. E. Sherwood, erected the present building at 921 Kains Ave. It is controlled by a board of management, made up of 20 business and professional men, of which W. H. Simmons is the present chairman.

Coble joined his first "Y" back in Ohio in 1910. He has been connected with YMCA work ever since, chiefly in the fields of swimming and physical education, though he has worked in every division of "Y" activities. He likes it all.

"The Albany "Y" has splendid

arrangements with the Albany high school for its use of the swimming pool," said Coble, "but we do need enlarged floor space, craft rooms and locker rooms to accommodate our fast growing membership."

He received training in staff functions, combat operations and military engineering.

Postal Clerks Aux. Sets Rummage Sale

To The Albany Times, and The Albany City Council:

I am writing this letter in protest of this new election which you propose in April. This tax law was defeated fairly, and which was too high per \$100 in the first place.

I have been in this county and in Albany since 1894. This City of Albany was made up of people from the 'Frisco fire in 1906, and principally of old people, pensioners and widows.

Now these old people and widows cannot afford another raise in taxes at this time. I am personally going to organize the pensioners and old people and widows in this district against this tax. There are children going to our schools from El Cerrito, and if we have no room for

The population of this city does not call for a tax of these proportions. These taxes should come from some other source such as sales tax or tax on the race track. Such taxes would come from outsiders. The City of Albany is clean and small, as yet, and we want to keep it that way. You people try to copy from Oakland and Berkeley too much, and we resent outsiders trying to tell us what to do.

Remember we voted you people into office, and expect you to protect the old people, the pensioners and the widows, who still have the right to vote.

I am having some pamphlets printed to send out to these people. Am also sending a copy of this letter to The Albany Times.

Yours for lower taxes,
(Signed)

MR. E. JOHNSTON,

Albany, California.

Editor The Albany Times:

On Feb. 12 the "Citizens Action Committee for Albany Schools", by using school children, distributed another of their propaganda leaflets to the people of Albany. This was supposed to be a quote from The Alameda Times Star.

In the pre-election meetings the School Board pointed with alarm at a deficiency of 210,000. Yet in this newest piece of propaganda, Mr. Bryan proposes cuts in the educational budget amounting to \$225,000. This appears to me as a spite move.

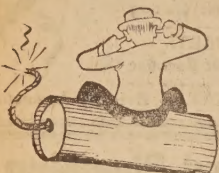

The proponents of the school tax must be quite desperate to use the taxpayers' children to resolve a political issue.

The School Board may have a legal right to call another election and continue to order tax elections as a school board not far from Albany did recently, but I challenge their moral right to force an issue on the public which we have said
